8 WHAT IS YOUR MAIN MOTIVATION TO BE PART OF THE UITP COMMUNITY?

9 UITP MEMBER COMMITMENT

UITP promotes the idea that public transport and shared mobility should play a major role in any urban and non-urban mobility policy. In an increasingly urbanised world, inclusive green growth depends on efficient urban and non-urban mobility and adequate public transport infrastructure and services. If current mobility habits prevail – marked by the dominance of private motorised modes – urban congestion will gridlock cities, rapidly increasing greenhouse gas emissions and energy consumption. Increasing road space to accommodate greater car usage is not an option in many cities.

Optimising the efficient use of existing road space is therefore a key principle to appraise the requirements of competing user groups. The integration of a mobility

stakeholder into UITP is defined by its complementarity, support and synergy with other sustainable urban transport modes and in particular public transport. It should have a business model that is oriented towards sustainable mobility and help contain the number of vehicles in our cities.

By joining UITP, members automatically adhere to this commitment.

10 MEMBERSHIP RENEWAL & SERVICES POLICY

Please note that membership is automatically renewed each calendar year. Services may be temporarily suspended if the terms and conditions indicated on the membership invoice are not respected. Such suspension does not release from the fee payment obligation.

Each year, UITP will ask you to fill in a form and provide your operating cost/turnover/population/drivers (according to your membership category) audited figures of the penultimate year. The information you will provide will remain strictly confidential. It will not be shared or made available to other members. The information you will provide will only be used to calculate the fee for next year, in accordance with the membership fee scale approved by the General Assembly. Should you fail to provide us with these figures, UITP reserves the right to make a reasonable estimate.

The level of the yearly membership fee qualifies the member organization to a specific service package. A full description of the packages and relative benefits is available on www.uitp.org/service-packages.

“UITP processes information relating to identified or identifiable natural persons (“Personal Data”). UITP processes this Personal Data in accordance with data protection requirements under applicable law and regulations, in particular the General Data protection Regulation 2016/679 of 27 April 2016 (“GDPR”). You can learn more on the way we process and protect your Personal Data, in our privacy policy on our website (<https://www.uitp.org/privacy-policy>). You warrant that you have the necessary permission to provide us with the personal data in paragraph 2, 3, 6 and 7 and that any Personal Data provided to us has been processed in accordance with applicable law.”

We indicate having read the membership renewal & service policy, we agree with UITP By-Laws and internal rules and we abide by them.

We accept the terms of the UITP privacy policy as stipulated on www.uitp.org/privacy-policy.

We understand that our affiliation is a binding contractual commitment between our organisation and UITP.
